Dear Mr. Kramish:

Your letter of 3 October 1951 to General Walter B. Smith was received and passed to Mr. William H. Jackson, former Deputy Director of this Agency and now Senior Consultant and Special Assistant to the Director.

Mr. Jackson has asked me to advise you that it is not firm that the individual indicated in the above-mentioned letter will chair the committee you cite; neither has a firm date been set for the formation of this committee.

At such time as this committee is organized, your offer to discuss problems of mutual interest will be presented to the committee.

Sincerely,

Signed

Assistant to the Director

Dear General Smith:

Several weeks ago I was present (as the AEC representative) at an IAC meeting at which you mentioned the formation of a committee to review the activities of OSI and scientific intelligence in general. I understand that this committee is to be chairmaned by [REDACTED]

Although intelligence problems are no longer my primary interest, I am most concerned over the present state of scientific intelligence. Accordingly, I should appreciate it if arrangements could be made for my discussing the problem with [REDACTED] committee.

Yours very truly,

Arnold Kramish
Nuclear Energy Division
